Quotes

"One of the best a capella albums I have ever heard. I kid you not, there were several occasions when I was covered in goose bumps from the sheer marvelousness of the sounds emanating from my speakers." About Going Overboard - Bonnie Griner, Celtophilia.com.

"The layered and very polished sound is enthusiastic and energetic." About Lost at Sea - Susan Hartman, Dirty Linen Magazine

"Sea shanties mingle with originals and forays into barbershop harmony and sweet swing for a fulsome sound. The three guys and two gals of Bounding Main have the chops to sell their schtick." About Kraken Up - Jamie Lee Rake, Shepherd Express.

"It's listenable, unique and fun." About Lost at Sea - Avery Comarow, US News & World Report.
